

DR. BARBARA VOSS

SHE / THEY

**HISTORICAL ARCHAEOLOGIST;
COLONIALISM, COMMUNITY-BASED
PRACTICE, AND GENDER THEORY**

Voss' broad interests lie in the processes and outcomes of cultural encounters from colonialism, conflict, and migration. They have contributed significantly to studying the Spanish colonization of the Americas but now focus on Chinese migration, including Chinese Railroad Workers in the USA. Voss has also been a leader in the development of the archaeology of sexuality and gender.
